Party Animal

Mary Pickren makes a new friend!

Jean Cline gives some lovin' to Maggie.

Residents enjoyed some tail-wagging fun this holiday season as they met Maggie, a 3-year-old "BerneDoodle" – a mix between a Bernese Mountain Dog and a Standard Poodle! Maggie passed her Canine Good Citizen Test in 2020 and was certified through the Alliance of Therapy Dogs in 2021. Residents loved her positive and friendly demeanor that brought joy-filled smiles to everyone she met. We can't wait for her next visit!

Tacky Lights and Making Spirits Bright

Oh, what fun it is to ride in the warm and comfy Hope bus! Residents embraced the spirit of Christmas and memories of holiday drives with family during our Tacky Lights Tour. One of their favorite stops was at sister community St. Mary's Woods to see their annual "Grand Illumination," where stars, wreaths, reindeer, snowmen, and every possible color of light was on display.

During a special time with family, residents and loved ones gathered safely for homemade cookies, pastries, coffee, and new memories in our Holiday tent.

And the holidays just wouldn't be the same without a visit from Santa and Mrs. Claus. The festive pair stopped by Our Lady of Hope to spread holiday cheer and pose for photos with residents and team members.

Mrs. Bality (second from left) was excited to visit with her son and grandchildren.

Mr. & Mrs. Claus, Catherine "Cass" Fleck (seated), and Lauren Stokes.

Margaret Hoppe (back row), Rose Marie Carmine (front left), and Grace Taylor were among the residents who said they felt like a kid again during the ride.

Handmade with Love

Our residents—who love pitching in to prepare for the holidays—helped whip up a special pumpkin dessert over Thanksgiving. They had fun folding and mixing, while everyone enjoyed the delicious smell.

Helen Perlstein mixes up some fun.

As December approached, our “handy” team of residents took donations of broken jewelry and transformed them into memorable holiday ornaments. Santa’s elves delivered these unique ornaments to cancer patients at the Sarah Cannon Cancer Institute at Henrico Doctors Hospital and Chippenham-Johnston Willis (Hawthorne Center).

Mary Geary crafts special ornaments to lift the spirits of cancer patients.
