## When the Zoo Comes to You!

You're never too old for a good, old-fashioned petting zoo. Residents, team members, and visitors had a blast with the lively critters of Flat Creek Farm. The traveling menagerie included goats, sheep, llamas, and bunnies that residents could feed, pet, and pose with!

# Fun on Four Wheels

Our second annual “Hot Rods, Hot Dogs, and Dads” event held on Father’s Day weekend was a massive hit! Family members and friends came from all around to celebrate together while enjoying a beautiful day, great food, and classic cars. The River City Cruizers and Central Virginia Corvette Club showed off their pristine automobiles, while Magician Jonathan Austin provided whimsical entertainment for guests of all ages.

## Take Me Out to the Ballgame

Fans of “America’s national pastime” hit the baseball diamond to cheer on their local team, the Richmond Flying Squirrels, as they hosted the Portland Sea Dogs. Box seats provided a great view of the baseball diamond and a visit from the mascots Nutzy and Nutasha made our residents feel like VIPs! A special thank you to our sister community, Saint Francis Home, for the tickets.

# Genesis Rehab Services is Now Powerback Rehabilitation

With over 36 years of success and expertise, Genesis Rehab—our community's on-site provider of physical, occupational, and speech therapy—is refreshing their brand to better reflect the scope of services they provide. They will soon be known as **Powerback Rehabilitation**. The name change reflects their commitment to wellness and their mission to help patients get their power back. Residents can expect the same quality care from the same friendly therapists. A full transition to the new branding is expected by January 2023.
