# Holiday Happenings

From trimming the trees and decking the halls to Christmas crafts and visits from Santa, the holiday fun at Hope was truly nonstop! The spirit of the season was reflected in the holiday décor that filled the community and in the fun sweaters, dresses, and hats that were donned. Most importantly, memories were made with friends and family that will be treasured for years to come.

# *Cheers to a New Year*

*Nothing caps off the holiday season like ringing in the New Year with friends. Our celebrations included a toast, good food, and laughter. 2023 is here and we can't wait to see the many blessings it brings!*

## Small Hands, Big Fun

We were thrilled to welcome our junior friends from La Petite Academy childcare center for an afternoon of “colorful” activities. Our young guests put their artistic skills to work with our equally

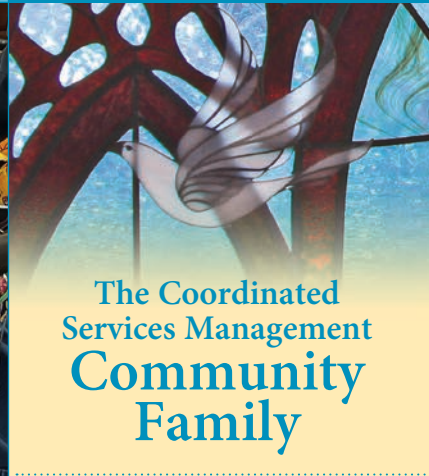

creative residents to make some beautiful holiday pictures. Residents talked about how much they enjoyed the intergenerational activity and are looking forward to another visit in the future!

# It's "Snow" Time!

Snow is exciting, no matter your age! Our residents agree, and when the first weeks of winter failed to bring real snow, we made our own. Residents made yummy snowmen out of sugared donuts, worked on a variety of snowman-themed crafts, and had a "snowball fight" with fake snowballs.
