# Hoppy Easter!

In the days leading up to Easter, our residents stuffed over 3,500 eggs with candy in preparation for our Easter Egg Hunt. Kids and adults had a blast posing with the Easter Bunny, hunting for eggs, and collecting prizes. No one left empty-handed! We're already looking forward to next year.

# Moments that Matter

When people care, wonderful things can happen. This is especially true in the Christopher Center, where our specially trained team members offer enriching experiences and daily fun for our memory care residents. This spring, our residents' simple joys have included team bowling and relaxing crafts in our sunroom!

## Barnyard Fun

When you can't make it to the farm, our team brings the farm to you! Residents were tickled to spend some time with the friendly, furry critters owned by Business Office Manager Darlene Ashley and her family. Darlene and her daughter, Amber, introduced their newest chicks and baby lambs to their friends at Our Lady of Hope. It was a real treat.

# Love is in the Air

“To have and to hold, from this day forward.” These classic wedding vows were the theme of Valentine’s Day at Our Lady of Hope. Chaplain Felicia Barwell officiated a special vow renewal ceremony for couples, which included several resident lovebirds and Music Therapist Katie Carter and her husband, Emanuel. Collectively, the couples in attendance have enjoyed over 300 years of marriage. We’ll say “cheers” to that!
