Birds of a Feather

Anna Fierro

Our community room was packed for a special visit from our friends at Parrots of Paradise. A local bird rescue, rehabilitation, and rehoming organization, Parrots of Paradise visits local schools and organizations to share their love of birds and to provide education on these wonderful creatures. We were thrilled to host our new, feathered friends and look forward to having them fly by again soon!

Our annual Car Show, held on Father's Day weekend, has become one of Our Lady of Hope's signature events and one that residents and families look forward to throughout the year. Once again, we were blessed with amazing weather and blue skies. New and classic automobiles from the River City Cruizers and the Central Virginia Corvette Owners Club filled our parking lot and residents and guests had fun posing with their favorite vehicles.

United We Stand

This year's Memorial Day event featured delicious watermelon, refreshing drinks, and lots of red, white, and blue balloons. It was a time to remember and celebrate our freedom and all who have sacrificed for our country. On the Fourth of July, bomb pops and bingo brought smiles to our faces. Everywhere you looked, the stars and stripes reminded us of the patriotism that unites us.

Director of Talent Development Bryan Torres and Director of Marketing and Admissions Jenna Swann are patriotic from head to toe!

Have You Heard?

Our “Activities” department is now known as our “Life Enrichment” department. This may seem like a small change, but it represents our holistic approach to care. Because while we do have fun and stay busy, this new name better reflects how our programming is truly *enriching* lives!
