Our Lady Of Hope

WELCOME SPRING!

We “Marched” right through the last month! The residents enjoyed a festive St. Patrick’s Week filled with Shenanigans and Socials. We experienced the “Luck of the Irish” with green Shamrock Crafts, Ukrop’s Cookies and punch!

We also enjoyed special music presentations in March. Guitar Billy was so entertaining with a full set of St. Patrick’s Day tunes. It was so nice to have the 25 piece European Wind Ensemble dazzle us with music from across the pond. Ella and Friends volunteered their time to come and play some of their favorite songs for us, as well.

April is shaping up to be a Grand Time! We’ll witness the Total Eclipse, show our OLOH spirit during Spirit Week and host the Nuckols Farm Elementary Art Show. We’ll also spend time showing our volunteers just how much we love them. We greatly appreciate everyone who gives their time and their talents to the residents of Our Lady of Hope! Volunteers can stop by the Life Enrichment Office for a token of our appreciation. Many thanks to those who helped make our Annual Easter Egg Hunt a great success this year!

How we grow through Art and Creativity

Audrey added some extra flair using her creative eye! Isn't her hat spectacular?

Regina found that a song can brighten everyone's day as she sang Easter Bonnet during Create n' Sip. (A recording can be found on our Facebook page!)

Hilda bravely stepped out of her comfort zone and surprised herself at how wonderful her project turned out!

New Performer

Tom the Flutist has been playing for over 50 years!

He performs a wide range of music including classical, show tunes, jazz, ballads, Christmas melodies and pop.

He engages his audiences with music, trivia about the songs, dialog and lighthearted stories.

Peggy

A special thank you to our very own Peggy Schmid who has been instrumental in planning for the Divine Mercy Novena. Her passion is nearly palpable. She truly seeks to teach those around her about her Creator, the Catholic religion and all that it entails. Thank You, Peggy for sharing your passion with us.
