We hope you didn't miss out on any of the fun we had in May! We had some wonderful experiences of time spent with visitors from our community. You may have noticed an increase of pre-teens in the hallways of OLOH each week in May. Nuckols Farm Elementary 5th grade students spent the last 5 weeks spending time, crafting and reading with us. We hope to continue the fun with the students in the Fall. But for now, *School's Out For Summer!*

You know how we love live music around here! Last month, we enjoyed the sounds of Joe's steel guitar at our Luau, Terry's Fun Drum class and singing along with Craig. The Henrico Community Band's performance had every toe tapping to pieces from around the world. Music isn't the only thing to enjoy at Our Lady of Hope. We had Dance Infinity RVA entertain us with their beautiful choreography and who could forget the Mother-Daughter Tea Party? Planning events like these is so special because it connects us to community members, provides new experiences to those that live here and gives us an opportunity to spend time with family and friends.

That being said, we are gearing up with an awesome June calendar filled with fun. To honor our "Dear Ol' Dads", we hope you will join us for our Annual Classic Car Show and Cookout. There'll be live music, clown and magician entertainment as well as delicious food, too!

Be sure to check your calendars for special events, engaging activities and many more performances to attend.

Message from our Director of Pastoral Care, Chaplain Bob Odom

This year was designated as a year of Jubilee by Pope Francis. To honor that proclamation, we have planned several activities to celebrate the year of Jubilee. For one, in June, we are planning a tour of the Cathedral in Richmond, which has been designated as a pilgrimage site for the Catholic Church. In celebrating the year of Jubilee, we also want to take time to thank the priests who have been faithful to serve our residents and families. We appreciate the time and commitment of Father Larry Mullaney and Father James Arsenal, who provide mass and spiritual care for our residents each Thursday. We also want to thank Father Daniel O. Brady. He has helped us provide prayers for the sick and last rites. You have blessed us, and we say thank you!

**When does a joke
become a dad joke?**

When the punchline
becomes apparent.

Dads are most ordinary men
turned by love into heroes,
adventurers, story-tellers,
and singers of song
