Smooch a Pooch

Friendly dogs brought smiles and laughter as we celebrated Valentine's Day with a heartwarming "Smooch a Pooch" kissing booth. The day was full of fun, including festive crafts, interactive games, sweet treats, and plenty of opportunities for residents to enjoy each other's company.

Young at Heart

We are blessed with strong support from local schools, bringing joy and excitement into our activities and spaces. Residents recently enjoyed chair yoga and Family Feud with students from Blessed Sacrament, and the Quioccasin Middle School chorus gave us a live musical performance. Students from Tucker High School led a rousing game of Jeopardy with questions they wrote just for our residents, including a category called “The Good Old Days!” Songs and laughter will always be a way to bring together the young and the “young at heart.”

As our visitors proved, everyone can benefit from the stretches and gentle exercises incorporated into chair yoga, regardless of age.

Bright and Blooming

While the weather has been a bit unpredictable this year, our residents have welcomed the arrival of spring with creative and hands-on activities that celebrate the season. From painting colorful flowers to tending raised garden beds and arranging fresh blooms, these moments have given us a sense of renewal throughout the community.
